Dear Sir or Madam:

Applicants hereby request the issuance of a Certificate of Correction for the following  
Patent Office error pursuant to 35 USC §254:

**Correction is requested for the following errors:**

Cover Page, Related U.S. Application Data located at (63), "Continuation" should read

- - Continuation-in-part --.

Column 1, line 6, "continuation" should read - - continuation-in-part - -.

Enclosed herewith is a form PTO/SB/44, duly completed.

A Preliminary Amendment was filed on September 21, 1999 amending the "CROSS-REFERENCE TO RELATED APPLICATION" section to read continuation-in-part instead of continuation; therefore no fee is believed to be due. However, the Commissioner is hereby authorized to charge counsel's Deposit Account 50-1602 for any additional fees required to make this Request acceptable to the Office or credit any refund.

Respectfully submitted,
